- The Account Maintenance Charge, Interim, KYC and Risk Review Visit and Annual, KYC and Risk Review Visit charges will all be debited from your main GBP Operational Account when they are due.
- This is the monthly charge of £1,000 which covers all of the operational and safeguarding accounts the entity holds with BFC Bank. **The charges are debited on a quarterly basis, £3,000 will be applied to your account on the last working day of the following months; March, June, September and December.**
- This is a one off non-refundable charge to complete a full review of your business and its operations which allows us to meet all of our necessary KYC/KYCC, due diligence and regulatory requirements before onboarding you as a BFC Bank Customer.
- This is a non-refundable charge to complete a return visit when necessary to verify completion of the remedial actions required / recommended within the Onboarding KYC and Risk Visit.
- This is an annual non-refundable charge to complete the periodic review of your business and its operations which allows us to meet all the necessary KYC/KYCC, due diligence and regulatory requirements whilst you are a BFC Bank customer.
- All International Payments (in the available currency) where the remitters, beneficiary's bank or payment service provider are both within the EEA must use the charging option "SHA" (Shared charges). This will mean that the sender pays its bank's charges and the beneficiary pays its bank's charges.
- FX Margin is applied where cross currency conversion is involved, we will discuss your requirement during your annual review.
- We charge 12.00% EAR (Equivalent Annual Rate) which accrues on a daily basis and will be payable on a monthly basis. We will inform you of the interest amount due by the tenth working day of the following month and will debit this amount from your account by the fifteenth working day of that same month.
- We will charge 1.25% EAR (Equivalent Annual Rate) on any credit balance held in any of your EUR operational / safeguarding accounts. The charge will accrue on a daily basis and will be payable on a monthly basis. We will inform you of the interest amount due by the tenth working day of the following month and will debit this amount from your account by the fifteenth working day of that same month.
- If you are interested in this service, we will refer you over to our Wholesale Relationship Team who look after our Banknote services.
- If any of the additional services involve our Correspondent or Intermediary banks they will also charge for the service, which is in addition to our charge(s) and will be applied to your account.
- Manual Intervention is where BFC Bank is required to take action to repair incoming credits in your favour, take action against payments that need to be recalled that have already credited the Beneficiary, or where an amendment needs to be made to a payment where the funds have already been released by BFC Bank.
- This only applies prior to the payment being processed and prior to funds being released, if after, please refer to the manual intervention fee that will apply.
- Statements can be downloaded free of charge from the online platform.
