

IMPORTANT MESSAGE.

Following a strategic business review and assessment by BFC Group, coupled with the impact of COVID-19, BFC Bank made the difficult decision to withdraw the corporate banking services it provides; this means we no longer offer accounts together with payments services.

Please bear with us, we are in the process of updating our website to reflect these changes.

Any communication in relation to these changes or other services that BFC Bank provides should be sent by email to customerservices@bfcbank.co.uk
